MY HISTORY

Some time ago, when I was 8 years old, my cousins and me, we were play "atrapadillas" we were running very very fast, and for escape, I started to spin around of a tree, after that we continued running, we were laughed so much. We were very tired, but we were wanted play. I start running again, but this time, very very very fast, but saw the tree and I star to climb up, I was up, and lost my balance, after that...I fell :(. After that I had, bruises, bumps and scratches. After that my mom asked me: What happened? She helped me and took me to the hospital. That's why I have a scar on my leg
