**When** I am going to have my nursing job I will work in the hospital because it is an area where I can learn much more things about nursing, I will also promote health and prevention of diseases to my patients in my business that is pharmacy **training** my staff to support me **as soon as I cannot**, If possible I will open a private office where **I will consult** if that helps my community and seek help with doctors, chemists, among others.

I'm going to save up to buy a car because it would help me a lot for my transportation.

**I will also specialize** as soon as I feel ready it will be better for me, my family, and my patients **to be better prepared** to do a good job.

I'm going to build myself a little house.
