

## **Bath**

I live in Bath, a city in England. It's a very beautiful place. There are a lot of old buildings in the centre and there are some very nice parks. Bath is famous for its hot springs, and you can swim in the hot water at the Thermae Bath Spa. I go there every Sunday. it's great! In the centre of Bath there are five theatres and some very good museums, including the Roman Baths and the Jane Austen Centre, about the famous English writer. There are also a lot of good restaurants and hotels, and there's a big new shopping centre called SouthGate. There are trains to London every half an hour, and there's an airport in Bristol, only 15 miles away. I think Bath is a great place to live.
