Flashcards

Common Illness

05 / 06 / 2020

Cold

A: Hello ¿how are you feeling today?

B: I'm not feeling very well

A: ¿What's wrong?

B: I have a fever and body pain, also I think it will give me the flu.

Diarrhea

A: Hi, ¿how are you?

B: I feel bad.

A: ¿Why?

B: I think I'm sick, my stomach hurts and I go to the bathroom many times.

Pharyngoamidalitis

A: Hello ¿what's up?

B: I feel sick

A: ¿What's wrong?

B: My throat is very hot, I have a cough and a fever

Conjunctivitis

A: ¿How are you?

B: Not so good

A: ¿What's up?

B: My eyes are burning, they are red and I have many lizards

Salmonellosis

A: Hello ¿How are you?

B: I´m sick

A: ¿How you feel?

B: My stomach hurts, I have a fever,
headache and vomit

colitis

A: What's wrong, ¿can I help you?

B: Oh thanks, but I have to go to the doctor, I have colic and I am very swollen

A: ¡Get well soon!

Chickenpox

Mom: ¿What do you have honey?

Son: I feel bad

Mom: ¿Can you describe what you feel?

Son: Ok! I have a fever, my head hurts, I have little bumps all over my body and it itches.

DERMATITIS

A: ¿What is that?

B: Don't worry, I already went to the doctor

A: ¿What was your diagnosis?

B: Dermatitis, my symptoms were: red hair, itching, dry skin
