Vegetarian or Meat eater?

Betty

I'm a vegetarian, so I don't eat meat or fish. I eat dairy products, eggs and, of course, I love all kinds of vegetables, especially tomatoes. I even have some tomato plants in my garden. For a snack, I usually have an egg sandwich and some tomato juice. It's delicious. I don't eat fruit very often and I can't stand strawberries or bananas.

Stuart

I love meat and I eat some every day! My favourite is beef and I usually have a steak with some rice. I don't like vegetables very much, but I try to have a salad with every meal, because vegetables are good for you. I love all kinds of fruit and fruit juices. My favourite is apple and strawberry. However, I hate one thing and that's eggs! I can't eat them.
