Conclusión:

Esta práctica de vlan aprendí algo número fue una práctica muy interesante, no fue tan complicada realizarla pero si es muy importante para mi esta esta práctica pude aprender nuevos comandos cisco:

- ✓ Enable
- ✓ Configure terminal
- ✓ Vlan 10
- ✓ Name alumnos
- ✓ Exit
- ✓ Show vlan
- ✓ Interface range f0/1-15
- ✓ Switchport mode Access
- ✓ Switchport Access vlan 10

Estos comandos fueron algo nuevo para y es la parte más importante de esta práctica.
