

Church una cuadra parte luego mediacuadra
Por Parte

IF I want to go to the
Church unites a block to as well walk to the
PART in an in between banker blocks

First agora does the minibike join them
mebongearight in the park as the wing joins
a block and did a church measure there later did
pabayo Asta grasp a block and did this measure the
school

The lugar where I work
The place where I work is a ranch with two
families and potrero is green and are plant the
Paddock there a cow pen seica of the house
as well has a animalito ques-cattle lamb blow
The hen etc as well a car minibite

The herbage is green

The cow pen is large

The horse came green herbage

The horse is very commodious

The wagon is azure color

The dog very pretty sound

my cellular is black color

The cow eats pasatura on a canoe

The chick is color sarada

The tinkoyou swims puddle
