# Where Do You Live?

**Jeewhan Yoon**

I'm Jeewhan Yoon from the city of Busan, in Korea. My wife and I live in a small house with two floors and garage. There are two bedrooms, a living room, a small kitchen, and one bathroom.

My favorite room is the living room. There's a big sofa, and I usually read there. We also watch movies on TV in the living room.

One thing I don't like: we don't have a garden.

**Tina Williams**

I'm Tina Williams, and I'm from Seattle, in the United States. I live in a small white house with a two-car garage.

Downstairs, there's a living room, a dining room, and a nice large kitchen with large windows and a view of the garden. There are two bedrooms and one bathroom upstairs. There's also a very small office- my favorite room. I study there.

It's small, but I love my house!

**Eduardo Calero**

My name is Eduardo Calero, and I live in Caracas, Venezuela. My family has a really nice apartment on the eighth floor. There's an elevator, of course, and there's a garage on the first floor.

We have three bedrooms and two bathrooms. My brother and I have our own rooms. The kitchen is small, but it has beautiful new appliances.

The living room is my favorite room, though, because it has a fantastic view of the city of Caracas.

**Exercise 3.** Answer the next table according to the article. Put a "x" in the box.
