INTRODUCTION

In this essay I will talk about the text that I analyze and try to explain what I understood.

THE LIFE OF TONY SANTOS

Tony santos

Born: October 21, in 1985

Age: 35

Lives in: Tlaxcala - Mexico.

Mr. Tony, lives with his wife Claire and their children, Noah and Peter in Palms, he was recently admitted because he had an accident when he was at work, he entered the hospital with his membership number 120098544722. He admits that he has not seen another GP or other health professional in the past two years and His wife has hormonal problems.

Claire Benson was born on February 2. In 1990.

Noah Santos Benson was born on June 21. in 2015.

Peter was born on October 14. In 2017.

Tony should have an evaluation and a medical history, and if he already has one, check it, to know what state of health he is in, do exams, and check his background, as well as check his wife Claire for the problem you already have.
