"instructions inside the hospital"

Border Comalapa, Chiapas a 17 de julio 2020

## At the hospital

- Good morning!!
- ❖ Good morning! Excuse me, I am new in this hospital. Where can I find the Emergency room?
- Go straight, it is across the Ophthalmologist.
- ❖ How do I get to the laboratory room?
- Just turn left, it is around the corner.
- ❖ How can I get to the hospital ward?
- Just turn right, it is in front of the Laboratory.
- ❖ Where is the surgery room?
- Go straight one department, then turn right. It is next to the Hospital ward.
- ❖ And what about the X-ray?
- Go straight, then go upstairs and finally turn left. It is near to the office of the doctor on duty.
- ❖ And finally; where is the toilet?
- It Is behind the Laboratory.
- ❖ Ok, thank you so much.
- My pleasure
