“DESCRIBING THE HOSPITAL TEAM”

SURGEON

Keyla lives in a village called New Freedom. She is a surgeon. She works in the hospital with a team of doctors. They help patients who need any surgery. Her profession becomes an extremely busy person. However, she has pleasant time with her friends. She thinks that her work is very important. She studies another profession to help people in need. She likes to help people. She wants to improve her capacity. Her parents are proud of her. She doesn't like to look bad with her patients.
