2. Cross the Street, it's in front of you. Building A INCU
3. Go to the main corridor, go straight to the top and turn right, walk to elevator, reception is up there.
4. Elevators is next to Pediatrics.
5. Can you tell me how can I get INCU? Main corridor walk this way left until you reach the main lobby and cross the two streets and reach INCU.

Make a summary of the hospital

Los Angeles hospital is made up of various areas, such as a pediatric service this reception is also made up of a main corridor that directs us to an entrance to collect patients and transportation also leads us to a main lobby where a maternity building and a main elevator are located and towards the top there is an entrance that directs us to the surgery and down the main corridor is a room of surgery and next to maternity is INCU and underneath is the sterilization center and an emergency entrance this is what makes up the Los Angeles hospital.
