“My nursing student profile”

My nursing student profile

My name is Keyla Lopez. I live in fra. Comalapa Chiapas.

I am currently studying nursing. I study in the college UDS. My mom feels happy with me. I like to help people who need it most. I work every day. I will continue doing more homework of nursing. I am working in a pharmacy. I don't like to be late for work. In the nursing profession I will work in the hospital the following month. Do I work in the hospital next month?. I am helping many sick.
