ARMANDO NURSING STUDENT PROFILE

Armando is **Living** in Frontera Comalapa, Chiapas, he is twenty one years old. He is **studying** nursing.in the UDS school.

Armando **works** as a primary teacher in CONAFE from Monday to Friday and the Saturday he **goes** to the school all day and he **does** his homework at night.

Armando **has** a new friend in the college, they **do not like** arrive late to school and always all the Saturdays they are **getting up** early. They are **going** to the same school and sometimes they **do** homework together.

Armando **does not walk** to the school because it is very far. He is **riding** a motorcycle for go to the school. He **drives** half an hour.

He **likes** nursing, it is complicated for him because he is **working** and he is **studying**. He **does not like** to be irresponsible. and he always is **doing** his homework and **fulfilling** in CONAFE.

He **likes** play basquetball and all the Sunday he **plays**.He is not **staying** at home, he is **renting** alone.

He **likes** to help people so he **wants** to be a nurse.
