**(3er cuatrimestre “B” enfermería  
semiescolarizado)**

**Lugar: frontera Comalapa**

**Fecha:17-05-20**

I wake up happy every morning

I make my bed

I brush my teeth and face

I help prepare breakfast

I wash the dishes and my clothes

I also help sweep the house and clean it

After that, I do homework

After doing homework we eat as a family

In the afternoon, I do more tasks

and at night we go out to dinner

After that, I happily fall asleep
