## Hello. My name is Rossy

During the week i work, i work from 5am to 4pm after work i do activities at home such as helping to clean the house, and when i have alittle more time i go out to play soccer and do activities like sports, my work and university.

An Sundays i have the day off since yesterday when i took advantage of living whit my Friends and doing something else that i have pending. Sometimes when i get home from work, after helping and listening to music and sometimes i take advantage of my Little time to be able to mark my mom and dad, i like to read more bud not weitw, because that is what i do every day.
