How do you help in your house? Hello, my name is Migdeli Marín López Pérez because during the week I help my mother in the least for work reasons where I enter at 6 am and leave at 7 pm. But we try to help, on Mondays for example if I sweep my brother mops, on Tuesdays the sweeper I mop, and so on during the week. Sometimes I wash some of my clothes; like pants, t-shirts, socks etc ... I also help in my father's sales, like every son I go shopping at the little store on the corner. About 2 times a week I prepare my own food, not my family's.

What do you do in your free time? I usually listen to music and play, I'm also on my social networks in the afternoons, sometimes I go out partying with some friends from high school, two or three times a week we go to dinner with my brother. I also go to the park in the afternoons with some friends who are already a little older; some are 40, 45 and 60 years old, to enter an older environment. In the afternoons I also go with a friend who repairs cell phones and sometimes we negotiate cell phones, we have a drink and eat a snack. Once a week i exercise.
