How do you help your house?

What do you do in your free time?

Hello, my name is Ingrid and I help in my house doing some housework, for example mopping, sweeping, washing dishes and sometimes I cook, I also order my room. I cook double food every Friday, because on Saturday we go to church and we don't do any work. On Sundays I go to the market to buy some things for the food of the week.

The day the water arrives I wash my clothes, when my clothes are dried I told them to store them in the cabinet.

What do I do in my free time? In my free time I like listening to music, or sometimes watch a movie with my sister, on weekend I make music with my sister, she sings and I play the guitar. But when I have a lot of free time I practice the violin, and rarely go out for a walk or shopping, every day at night I read a book, and I rarely use social networks.
