How do you help in your house?

What do you in your free time?

Hello, my name is Yurisela Perez Roblero.

I am eighteen years old, I live in Frontera Comalapa, Chiapas.

I constantly help my beloved grandmother with the housework.

By sweeping, moping, ironing and among other things. I usually do them in the afternoon. During the day from Monday to Friday I work a tortilleria. When I return from my job I go shopping to the market, and I prepare to eat I always wash the dishes and leave everything clean.

In my free time, I exercise; I usually listen to music and use the internet every day. In the afternoon my grandmother and I went for a walk. Although sometimes I go to play soccer or run.

When it rains I take a nap or read a book and. I live far from my parents I rarely travel, only on special dates we meet as a family to live together.

And these are the activities that I do and the distractions in my spare time.
