3 Hospital admissions

Scrub up

Work in pairs. These patients have arrived in hospital and are waiting in reception. Discuss why you think each one is there.

1 Listen to the patients describe their problem, and decide which one is operating.

Write the order 1-5 in which the patients should be treated.

Vocabulary

admissions procedure

Use the sentences with the words below.

1 I was in hospital for a long time before my treatment.

- 1 Take a seat in the _____.
- 2 The first nurse you meet will be a specialist called _____.
- 3 This nurse will make _____ of your problem.
- 4 This helps decide who is _____.
- 5 A patient with a _____ condition will see a doctor immediately.
- 6 A nurse will get personal details from you and fill in a hospital _____ form.
- 7 When there is a free _____ a doctor will see you.

Hospital admissions
