¿HOW DO YOU HELP IN YOUR HOUSE?

My name is Evelia de Lourdes and helped mi mom. Check the domestic work. As the week we tend the beds we clean all the rooms after we put ourselves to sweep and we crawl. Then we get the food, we put the table, after eating we collect the table and wash the dishes and we feed our pets as well as at lunch. On Monday and Thursday we wash the clothes and iron it, we clean the house as well as all the household items, as also on Mondays we go to the store to stock our pantry and then we put in on the furniture and we put all the objects and clean the bathroom. We wash the pet`s beds and bathe our pets and every afternoon we take the pets out to graze and on Tuesdays and Thursdays and Sundays we water the plants in the afternoons as well as wel cam and we plant more plants and small trees.

¿WHAT DO YOU DO IN YOUR FREE TIME?

In my free time after finishing our homework, I start watching TV either day or night, watching movies on the computer, in the afternoon or at night, I do my university work and work activities in the afternoons I go out to run, play soccer or basketball frequently, when I don't do sports I go out to meet with my boyfriend we go to the park, as also in the afternoons when I have nothing to do I start to draw, read a story, make poems, listen to music, sometimes I start to decorate my room, in the middle of the day I go to sleep, sometimes I start to play with my puppies, I do crafts, I go out driving a car, in the morning I start to dance or eat fruit or in the evenings I go out to settle with my friends.
