- How do you help in your house?
- What do you do in your free time?

Hello, my name is Karen and I still depend on my parents, usually they work and I stay at home with my brother. I help everyday in chores the my house.

I frequently sweep and mop, except for Saturday. Everyday I wash the bathroom and the dishes and every friday I wash my clothes with my mom.

I rarely cook, sometimes just lunch. I go to school on Sundays and learn new things.

In my free time, I usually like listening to music at home and on the street with headphones. When I finish the housework, I continue with the school tasks. Every Saturday I go to church twice a day, sing and spend time with my family.
