## "My weekly routine"

**in** the morning I get up **at** 8.30. am, I make my bed and leave the sheets **on** the dresser, I wash my face and teeth and change my pajamas, **On** Mondays are usually quiet, so I have coffee, and I will help my grandmother to tidy up the house, then breakfast , and I'm going to fix my uncle's house, **at** 12:30 pm I bathe my younger sister, in my grandmother's bathroom, I change her and comb her, then we do our homework, **at** 2.30 pm I go to the cyber to do my school drinks, I finish **at** 4.30 or earlier depending on what I have to do, I go home, like, I wash the dishes, I exercise at home for 30 minutes, and then some friends of my mother go to 6:00 pm and we are going to run, we return **at** 7:00 pm and I go to take a bath, I change, I drink coffee, I read a little, most of the time I study, other times I watch series, and **at** 9:30 pm I go to wash my face, teeth, put on my pajamas, and go to sleep.

usually that's my Monday routine

on Tuesdays

on the Wednesdays

on until Friday.

On weekends we go to comitan, or to white land to visit my aunt.

and that's why I already want to go back to college.
