B PAIR WORK Who is your favorite musician? What do you know about his or her life?

Cancún

I would like to visit Cancun because it is a dreamland for anyone looking for beaches. An ideal climate, turquoise waters, white sands and the possibility of accessing all this through packages in all-inclusive hotels make Cancun the ideal destination.

Beaches

They have turquoise water, white sand (it is always cold and helps to cool off). Added to this, the number of hotels there are, the vast majority with all-inclusive systems with the beach just a few meters away. In addition, Cancun offers us the possibility of doing different activities on the beach.

Great variety of activities

Boredom does not exist in Cancun Cancun is the opportunity to enjoy the sun and the beach with all kinds of activities. This destination allows us to explore the historical archaeological zone near the island such as the El Rey and El Meco areas and others such as Chichen Itzá. We will be able to know the pier areas, do water sports, diving, snorkeling. Most hotels provide their own range of activities. But Cancun is also a tourist center with shopping areas, shopping centers, restaurant areas. In short, one of the cities with the greatest variety of activities in the Caribbean.

WHERE IS IT LOCATED

Cancún está ubicado en la esquina noreste de la Península de Yucatán en México. Esta ciudad está situada en la costa del Mar Caribe a 11 metros por encima del nivel del mar, a 21.17 grados de latitud y a -86.85 de longitud.

WHAT ATTRACTIONS IT HAS AND WHAT CAN WE DO IN THAT PLACE

I would like to visit Cancun for the attractiveness of its majestic beaches. The region is made up of 17 kilometers of white sand and sparkling turquoise water. Its coastline is made up of an infinite and spectacular marine life: a great treasure for fans of snorkeling and diving. We would like to try the typical foods and drinks of Cancun, it has countless hotels in the region with first-class restaurants of Mexican and international food, as well as fast food options

and nightclubs and bars where you can taste the best and most authentic Tequila and other regional drinks. I would like to visit the city of Cancun at night as it is recognized worldwide: its unique parties, shows and delicious drinks give visitors another alternative to enjoy their stay and live magical experiences in this beautiful place. As if all this were not enough, Cancun is the site of imposing archaeological pieces where travelers can venture and learn about the ancient history of this place. The ruins of Chichen Itzá and Tulum are something that you cannot miss, since each of them are material evidence of a dynamic culture of more than two thousand years ago. There are very few places in the world that have such a great diversity of activities to do as in Cancun. Luxury, ecotourism, sports, gastronomy, entertainment and history come together in one place. In addition, Cancun is also recognized for its high security standard, so that its visitors can fully enjoy their vacations.
