Why do I stay home? Well, I wasn't happy at my job. It was pretty stressful, in fact.

William Chan

It's a challenge. We have two young children. They don't go to school yet. I never have time for myself! That's not easy. But my kids are growing up so fast. I really want to spend time with them when they're young. Also, my wife loves her job. I think most stay-at-home dads say the same thing: It's hard, but it's worth it.

Daniel Evans

In my neighborhood, there aren't many dads in the park with their kids on weekdays. Nearly all of the parents are moms. I had a stressful job before and didn't have a lot of free time. I hated it. We have a daughter, and now I'm spending more time with her. I love that. I'm enjoying my freedom from work, but I'm also working very hard!
