Teotihuacán

I like my country, for me it is important to know about our past, I like the mysticism of our ancestors, in Mexico we have many archaeological sites and I would like to know them all but the most important for me is the pyramids of Teotihuacán, its name comes Nahuatl: Place where the gods or city of the gods were made, among its main attractions are the pyramids such as the Citadel and the Temple of the Feathered Serpent, the Calzada de los Muertos, Sun and the Moon, the Palace of Quetzalpapálotl, he says with two specialized museums: the Teotihuacan Culture Museum and the Teotihuacan Museum of Murals, it has a botanical garden of traditional flora, they have commercial areas in which typical crafts of the region and other souvenirs are offered, cultural workshops run by the educational services staff in the area. In a place where the whole family can have a good time learning about our history.
