NEW YORK

New York is where I would like to visit as it includes 5 districts that meet where the Hudson River empties into the Atlantic Ocean. At its center is Manhattan, a densely populated district that is among the world's leading commercial, financial and cultural centers

ATTRACTIVE PLACES IN NEW YORK

Some of the most attractive places in New York that I would like to visit are the Brooklyn Bridge, Times Square, Central Park, New York Museums since they are comfortable and colorful places for my attention

TYPICAL NEW YORK FOOD

Some of the foods that New York offers us and that I would like to try its flavor are Pastrami Sandwich, Bagel, Waldorf Salad, Pretzel, Cheesecake, Cupcakes that when trying them I would love their flavor and their season for the first time in the future When I decide to go to New York and the first thing I want is to try each of these dishes.

ICONIC ATTRACTIONS

The first stop I would like to do is tour the Statue of Liberty and Ellis Island, and end with a free trip on the Staten Island Ferry to appreciate the spectacular views of both
