Hello my name is cielo lizabeth Perez Velázquez.

in the week I did many things which I am going to tell you about,

starting from Monday morning, I get up early at 6 in the morning to make food for breakfast, we all had breakfast together my parents and My younger brother after eating I wash the dishes he arranged for me to go to work, I arrive at the pharmacy and with all the attitude I wait for patients and clients, when there is not much work I start reading and looking at magazines of clothes for sale and when it is the At three in the afternoon he told me to go to my house to have lunch, and after an hour I go back to work in the afternoon and a little more for sale because the university students come to buy and so at 9 at night I close the pharmacy and all night I am waiting for a patient, and so on it is throughout the week on Wednesday to be exact, a patient arrived at night and I had to be on the lookout and stay awake a lot, I go out on Thursday in the night and give everything to the other boy Next shift, on Friday I was busy all day moving forward with my homework, Saturday early I got up and did all my homework until the afternoon we had to travel to the city of Comalapa with my family to do some shopping, on Sunday

I was a time in the park with my little brother. Usually all my week I am very busy at work and I do not have many interesting things to do except on weekends sometimes we go to visit my grandfather who lives an hour from our house, at my grandfather's house we spend it talking and we eat to spend time with the family.
