MY WEEKLY ROUTINE

Frontera Comalapa, Chiapas a 13 de noviembre de 2020.

My routines during the week.

I wake up at 7 am every day, from Monday to Friday I start to work at 8 am in a drugstore in my hometown called "Canada", El Porvenir. I usually have breakfast in my aunt's house at 10 am, and I have lunch in the drugstore at 3 or 4 pm. because many costumers come to buy products, and I use to be very busy. In the afternoons, I always go to visit my parents in law, and sometimes I go for a walk in the park and the soccer field with my husband and sons. When the evening comes, we go out to have dinner and have a good time together. I do my homework at 9 pm after having dinner because that is the only time I can concentrate very well. If I have time, I watch TV an hour, but if I am very tired I go to bed at 10 or 11pm.

Now I am going to talk about what I do at the weekend.

I enjoy visiting my parents and relatives on Friday afternoon in El Porvenir, sometimes I take time to watch some soup opera to get distracted. I have classes on Saturday morning, and I take rest in the afternoon because I really like to stay at home watching TV or reading an interest book with my sons. On Sunday; I wake up at 7 am, we eat breakfast at 8 am, and then we get dressed rapidly to go to the church. After going to the church, I spend time with my family, and finally; we have a great dinner in the evening.
