“my weekly routine”

I will explain my routine this week.

My name is zulmi morales Díaz and i live in vado ancho

On Monday I got up at 6:00 A.M the I brushed my teeth afterwards i did the house hold cleaning at around 12 in the afternon I went ahead with the talks and then I took a bath and went to church on my way back I lay down for a moment and had dinner I went back to brusing my teeth and went to bed to sleep at a o'clock at night on

Tuesday I got up at 4:00 A.M be cause my brothers work and then I did the toitet for about 2 hourse ending I watched televisión for a moment and the i took a shower and I started studying from y to 2 in the afternoon and the I did other things and how at 8:00 P.M you went to bed and on Wednesday I got up at 6:00 A.M after a moment I did my toilet his the routine of every day on this day I lout a puppy but i found it at the neighbor's house and then at another day being Thursday november 12 of this year i got up at

6:00 A.M after I finished my toilet ,I went to church to a place that is far from where I live, we went walking and back to my house I studied and went to bed at 9:30 at night and on fryday I went back to do the same as every day and on saturday we went with my family to the field to work back home, rest and after a while we started talking with the family for a moment like two hours end the week on Sunday we went to worship with my family in the palestinian church and leaving the church we went to a cousin's party where there was cake etc.

But all that was on a table.

This is all that this week I could do at home.

Ejemplo del (IN) lo que hice esta semana pero no lo puse arriba:

We went to grandma's house in nuevo pacayal this week.

(Fuimos a la casa de la abuela esta semana.)

Ejemplo de (at):

My older brother is not at home he left the house.

(Mi hermano mayor no está en casa salio fuera de casa)

Ejemplo de (on): the party cake was on the table

(el pastel de la fiesta estaba en la mesa).
