On Tuesday when I get up I just drink coffee and start washing clothes, after that I'm going to train soccer in the field. In the afternoon I have lunch, I get to do my homework at seven at night I go out to dinner tacos that is next to my house, I brush my teeth and go to bed to sleep. On Wednesday and Thursday, in the mornings I prepare my breakfast then I wash my dishes but sometimes I take care of my nephew from eleven to two in the afternoon and I already order my computer but I leave it on my bed, and I'm going to have lunch, the rest of the afternoon I just unpack my store, on Friday afternoons at three in the afternoon I am going to train soccer because in the month of December I will play a game at a place or I start watching a movie and that's how I spend it every day of the week.
