“My Weekly Routine”

Comitán de Domínguez, Chiapas a 27 de septiembre del 2020.

Good morning teacher, then I will let you know my routine of the activities that I do during the week.

I currently work at conafe, I am a teacher of the preschool program, and I study a degree in nursing.

On Mondays I get up at 7:00 a.m. and start to elaborate my strategies that I will take to the community, breakfast at 9, I continue with my work, I prepare my backpack, I take a bath, lunch and in the afternoon I take the combi at 2:00 to go to My work, I arrive in the community at 5:00, we go to dinner and I arrange my things for Tuesday and we fall asleep at 9 at night.

On Tuesday we get up at 7:00 a.m. we go to breakfast and from 8:30 a.m. home visits begin to see the progress of the students and solve any doubts they have and work with the strategies that we take, we take photos of the tasks and at 2 in the afternoon it ends our work. At 3 we took the transport back home and we arrived at 6 in the afternoon.

From Wednesday to Friday I work at home reviewing the students' homework and solving any questions about the moms in watsap that I do mostly in the afternoon, and also the university homework, and in the morning I help mom with what to do home. On Fridays I don't do many homework anymore and on Saturday I go to church and on Sunday I send homework and buy materials for my strategies.
