Hi, my name is Avisua Marroquin Gonzalez I am 19 years old, I'm from Chicomuselo Chiapas I work with a friend in a pharmacy, on my days off I like to watch movies and spend time with my family, my mom's name is Martha Gonzalez Morales she is a housewife she is very funny and loving, my dad is a farmer loves his job I have six sisters and two brothers they live in a different place I don't see them constantly my older sister lives near my house I visit her constantly I like to spend time with her. And my nephews. Although we do not live together, we are all very close, and we always support each other. I have three best friends, they are Alimi, Leodan y Udiel, they are very special to me I like spending time with them, especially with Udiel because we live longer, he is very funny we like to go out to dinner and have fun my favorite color is black and blue, I consider myself to be a very good person with everyone, I am very happy.
