Hello, Good afternoon my name is yohana belen Ramirez Hernandez

I am originally from Siltepec Chiapas I am 18 years old I was born on September 19, 2002 I am approximately 1.56. I currently live with my parents and brothers in Siltepec

what fascinates me the most is cooking I really like to eat pancakes and pizza my favorite fruit is the peach when I feel sad I like to eat chocolates my passion is to play soccer because I am very good at playing in the same way I love to dance for it's like you forgot everything I just feel so happy when I do it.

I like to go swimming with my sister because she makes me laugh all the time

I have a lot of panic about crickets because they jump and that makes me very scared heights also terrify me

I hate cats and dogs

I consider myself a very sleepy, nice, sociable, very outgoing person because I like to do new or strange things, just experiment

I love adrenaline that's why in my free time I go out riding a motorcycle with my friends I love to do that

My favorite movie is the fast and furious

My favorite color is red and black

I am a very imperative person. I like to relax or make people feel good. It is better than making them smile.

But what I love the most is being in solidarity with others. I feel that it is the best thing I can do to help others. That is why I decided to study nursing.

That was all about me. Thanks.
