Hello, nice to meet you, my name is Lizbeth Gomez Ramirez I am 18 years old I live in a small but very beautiful neighborhood called Reforma San Miguel in which we all know each other and even live together, my parents are called Rosemberg Gomez Perez who is originally from Reforma and my mother Rosa Ramirez Lopez lived in another equally beautiful and quiet neighborhood called Nueva Reforma, I have two brothers, one named Leydi Gomez Ramirez and my brother named Sergio Gomez Ramirez, both are much older than me. I always celebrate birthdays with my grandparents because they are like my parents since I am 5 years old, every January 14, which is my birthday, is one of the best days. I have always dedicated myself to studying thanks to my grandparents and until now that I am

studying at the university it is thanks to my brother that although I also live with my grandparents I have to help with the house and errands only for that is that Also with responsibility they let me go out to have fun like to the field that in the afternoons I go to run and sometimes my grandmother accompanies me when she can as well as I also go out to the park of the colony with friends or friends or houses of some of them to live a while The days that I don't go out I stay watching television, I advance with tasks and I watch videos or listen to music, which is what I like.
