My weekly routine

On Monday morning i wake up at 5:00 in the morning, i fix the room before going to work, at work I go in at 7:00. at work we start taking things outside we finish at 8:00, when it is 9:00 we have breakfast and during the day we fix or clean some parts where they are not frequented much, in the afternoon we have lunch at 2:00 or more, in the rest of the day we just wait for them to come to compare, I leave at 5:00 in the afternoon.

At my house I arrive I have to sweep the patio, I bathe and have dinner and rest, on Tuesday it is almost the same routines as in the morning until I leave work only that in the afternoon , I have to wash clothes, and so on successively, it is always different when I have them free I go out with my friends and perform tasks, my chores always change they are not always like that, there are days when I get up very early, other days when I get up very early other days not and other days I am late to house .

On weekends I only on Sunday, at 9:00 I go to church withal my family, we go out at 1:00, we have lunch at 2:00 , some Sundays we go to the sports unit witch my cousins or I finish doing my tasks of school and so ends my day and my week.
