POSSESSIVE PRONOUNS

Are the pronouns that serve to indicate to whom an object belongs. As in Spanish, possessive pronouns in English are used to replace a noun to which noun they refer

The possessive pronoun makes explicit the property, the closeness or the relationship between a grammatical person and a grammatical element.

EXAMPLES

1. This magazine is yours.
2. This pencil es his.
3. This bag is hers.
4. That car is his.
5. This umbrella is hers.
6. These seats are ours.
7. This watch is yours.
8. The red handbag is hers.
