Escolarizado psicología.

Primer cuatrimestre.

Pichucalco, Chiapas. 18 de septiembre de 2020.

I did it
my way...

The possessive adjectives are more used in the English language

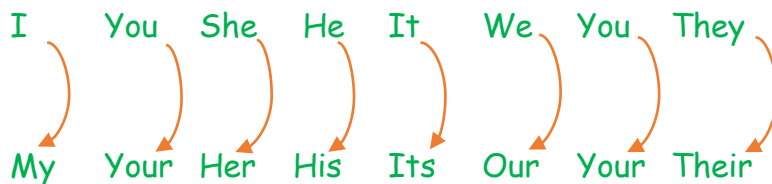

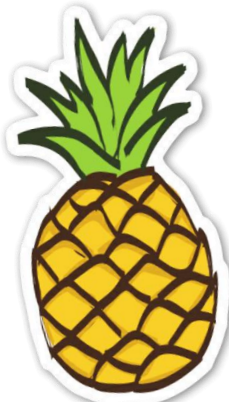

Adjectives possessives

There are some forms of expressing possession; one of the most common is using the possessive adjectives.

They are words that modify a noun to show a form of possession, a sense of belonging or ownership to a specific person, animal or thing.

Each one corresponds to a subject pronoun.

EXAMPLE: My dad has a cellphone, it is his cellphone
