English Presentation

He good day.

My name is Elvia Velasco Castellanos, I'm 28 years old. I live in Buenos Aires, Pantepec, Chiapas, a community which i love to live.

Dedícate miself more to the home and to, generate money, I dedicated myself to making cakes breads and other types of desserts, it is something i love to do.

In my free time, I play sports, the one i like the moust is básketball, because withh this sport, i exercise, i relax and i destress, to distract myself is the best sport i have found, i also like listening to music, watchig movies and goingfor a walk among other things.

I decided to study a carrer in nursing because i like to help people and what better way to help their health since many people suffer from some diseaseand cannot find someone to guide them in what they should do and more in my case that i live in a comunity with Little likelinhood of health care, also since i was a child i have always wanted tobe a nurse and because ol life casses i had not been given the opportunity to estart, and here i am starting at 28 years old and i want to put all of miself to get a ahead.

It's a pleasure teacher.
