## **Personal presentation**

Hello good morning teacher my name is Nelva María Lucas Rueda, I am very happy to start this course I have.

27 years old, I am mexican, I am Nicapa again and because of my work I am

Living in Pichucalco my favorite sport is soccer and well almost,

I do not have free time for my work, I decided to study this career,

Because I would like to help people and it is a career that.

Over time it will give me good benefits for example helping me

Family and I can support them when they need it.
