Social Networking
Search

## Getting Started with Social Networking

- 2 Next, check what the site has to offer you. Don't worry if you can't understand all its functions.
- 3 First of all, join a social networking site. Choose a site where you already know people.
- 4 After that, use the site's search features to find friends. Be sure to browse through groups who share your interests.
- 5 Finally, invite people to be your friend. Try not to be shy! Lots of people may be waiting to hear from you.
- 1 Then customize your profile page. For example, play with the colors to make the page reflect your personality. Now you're ready to start exploring!

**8**

Write a sentence about each picture using an expression in the box.

- |  |  |   |
|--|--|---|
| <input type="checkbox"/> Be sure to ...      | <input checked="" type="checkbox"/> Make sure to ... | <input type="checkbox"/> Try not to ... |
| <input type="checkbox"/> Don't forget to ... | <input type="checkbox"/> Remember to ...             | <input type="checkbox"/> Try to ...     |
