Hi my name is Alejandra! I am from México. I am 19 years old. I dedicate myself to studying and being a mommy. I like listening to music.

my daily routine is:

I get up at nine in the morning. From 9 o'clock my role of mommy begins since I take care of my daughter Sofi and prepare breakfast. After breakfast i listen to music with Sofi. At twelve in the afternoon I clean sofi and fix her. later I dedicate myself to doing my homework while my baby sleeps. and around 8 o'clock at night I have dinner with my baby and make her comfortable to sleep so that I can continue with my university activities. Finally at 11 at night I wash and make myself comfortable to sleep and thus end my day.
