

A stylized, colorful illustration of a city skyline at night. The buildings are rendered in various shades of blue, purple, and red, with some glowing. A red laser line cuts across the sky from the bottom left towards the top right, ending in a small airplane icon. The sky is dark with a few stars. In the foreground, there's a dark silhouette of a boat with two sails on the left, and a bridge or walkway with a railing in the middle ground. The overall aesthetic is modern and digital.
