INVESTIGAR ADJETIVOS PARA REDACTAR UNA DESCRIPCION DE TU CIUDAD O UNA CIUDAD DE TU AGRADO, UTILIZANDO LOS QUANTIFIERS Y SUBRAYARLOS.

Comitán de Domínguez is very wide, and has many friendly people. Comitán is a magical city, always clean and quiet. There you can find restaurants where they sell delicious traditional food such as mixed bread or toast. In my community there are many churches and also parks. In the main park there is a large fountain, on one side there are several young ladies who sell traditional snacks, in front of the main park is the main church, that of Santo Domingo de Guzman. comitan has two hospitals, it also has many private clinics. It has many places to have fun, one of them is Plaza las Flores that we find Cinepolis there where there are premiere films, if you take a walk around the entire plaza you can find many department stores and a space where you can eat with your family. Every day there is a lot of traffic. There much cold every day.
