HAVE/HAS

The verb "to have" is the second most used verb in English, and its uses are quite important. Learn to use this verb in English in a simple and natural way.

In the English language there are mainly two uses of the verb "to have": First, when it acts as the main verb of the sentence, and second, when it is used as an auxiliary verb. Additionally, this verb has a third use in English as a modal verb, in which case it is used to express obligation or need and its equivalent in Spanish may change.

Use the verb have/has to describe parts of the face
When we describe someone's hair, eyes, or parts of the face, we can use the verb have/has:

- I have short, wavy, brown hair.
 - He has big blue eyes.
 - She has long eyelashes.
- My father has a beard and a mustache.

Examples of the have.

Affirmative

- **You have beautiful eyes!**
- **My brother and I have a beard and a mustache.**
- **My parents have gray hair.**

Negative

- **I don't have blue eyes.**
- **You don't have red hair.**
- **We don't have thick eyebrows.**

Interrogative

- **Do you have blond hair?**
- **Do they have small eyes?**
- **Do your brother and sister have long ears?**

Examples of the verb has.

Affirmative

- **Pablo has a big nose.**
- **Your mom has big green eyes.**
- **The dog has black and brown hair.**

Negative

- **Pablo doesn't have a beard.**
- **Your friend doesn't have curly hair.**
- **The dog doesn't have a long tail.**

Interrogative

- **Does the baby have wavy hair?**
- **Does your boyfriend have a mustache?**
