

Verb "Have/Has"

Verb "Have/Has"

It is the verb to have and indicates possession of something, it is also used to talk about relation, diseases and characteristics of someone or something.

Afirmative

Subject:	Present simple:
I	Have
You	Have
He	Has
She	Has
It	Has
We	Have
You	Have
They	Have

How is it used?

To speak of obligations we use have/has to + infinitive, while to speak of possession we use have/has + noun.

Example:

(Have) I have a cat.

(Has) she has a little

How to use the have/has to talk about possessions?

In English there are two ways of expressing possessions such as:

I have two cats.

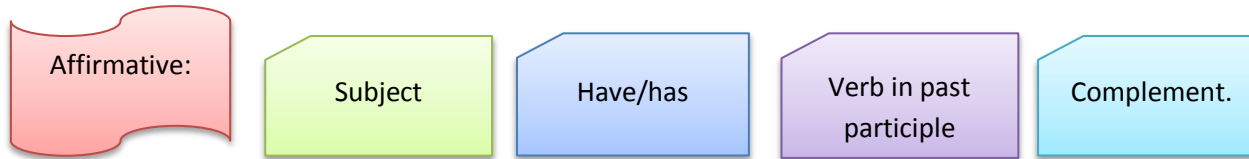

I've got two cats.

Means exactly the same but we must be careful to use them well in negative. Sentences and questions.

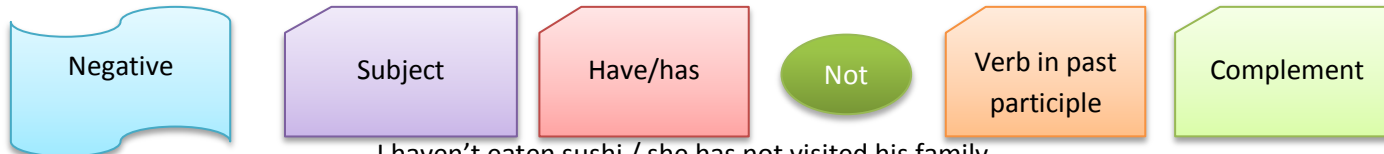

Example:

1. I have to go to school.
2. She has to play soccer tonight.
3. He has to take care of the kids.
4. You have to understand these new topics.
5. We have to pay for their rent.
6. They have to buy a new computer.

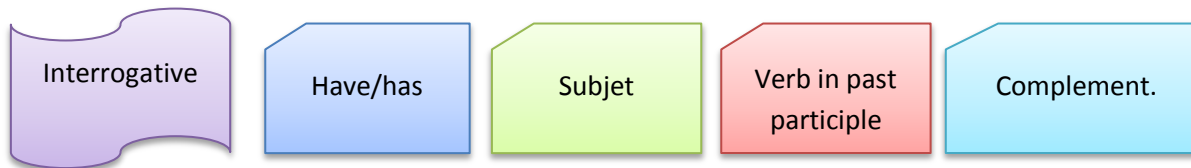

Examples:

Is have eaten octopus/ She has traveled a lot this year.

I haven't eaten sushi / she has not visited his family.

Have you visited your mother this week?/ has she been to mexico?
