INDEFINITE ARTICLE

The indeterminate or indefinite article in the English language is known as A and AN, and its meaning can be translated as UN and UNA. Both articles mean the same and are invariable in gender and number, since it is used for both masculine and feminine and lacks plural.

an

When the word begins with a vowel (a, e, i, o, u), then you should use 'an', it sounds better and sounds more appropriate when said.

a

When the word begins with a consonant you must use 'a'.
