

Hawaii

Hawaii is located in the central Pacific Ocean, in the southern United States.

Its capital is Honolulu, there is its iconic crescent-shaped beach.

Did you know that Hawaii was formed by the action of volcanoes that emerged at the bottom of the sea?

Hawaii is known for its beaches, flowers, its hula kaniko dance, its music, sunsets, surfing, tikis and its typical costumes.

If language is The English Himalaya, his favorite dishes are poke, lomi lomi salmon and kalbi ribs.

Its flag has eight alternating stripes of white, red and blue, it has the flag of Great Britain which is located in the upper left corner.

Its most visited places are: the volcanoes national park, Pearl Harbor and Lanikai beach.
