we need some milk, too.  
And do we have any cheese?  
Yes, we do. There's some cheese here, and there are  
some tomatoes, too.  
Do we have any mayonnaise? I love some mayonnaise  
on my sandwiches.

Me, too. But there isn't any here. let's buy  
some.

let's make a big breakfast tomorrow morning  
OK. what do we need? are there any eggs?  
There are some; but I think we need to buy  
some more.

OK. And let's get some yogurt, too. we don't have  
any, and I love yogurt for breakfast.

Me, too. Do you see any bread in the refrige-  
rator?

yes, there's some in the refrigerator

Great! so we don't need to buy any at the  
store.
