**PROFESOR: EDUARDO ENRIQUE
ARRIOLA JIMÉNEZ**

**ALUMNA: HERNÁNDEZ BARRIENTOS
JESSICA YOSMIN**

**TEMA: ADOLESCENCIA
30/10/22**

Why help teenagers?

They are More vulnerable before a society and they can make irreversible mistakes studying psychology in order to guide them

As a future psychologist I want to focus on adolescents guiding them young people can make mistakes and fall into depression among other factors since due to their want to know and experience let us help our young people to be better every day
